Phone 781-284-0519 • Fax 781-284-3805

Hello Immaculate Conception Parish School Parents,

Thank you for your patience and cooperation during this week. As you know this is a fluid process and many changes are likely to occur.

This school year we have implemented new policies due to COVID-19 one of these policies include, filling out the daily health forms for your student.

As a reminder going forward your student **will not be permitted to enter the school until the form is completed.** It should be completed the same day by 7:30am, prior to your arrival to the school.

Next, we would like to address drop-off and pick-up guidelines. Please use the yellow lines that have been placed along the Winthrop Ave and Beach St. sidewalks for both pick-up and drop-off.

The students will be let out by grade, so when lining up for pick up please line up accordingly and do not linger once you have been united with your child.

As a general reminder please remember to stay socially distanced from others in the community while on school and church property.

If you have any questions, please let us know. Again, we thank you for your cooperation and understanding during this time.

Sincerely,

Jordan Keels and Sarah Clavijo
School Nurses
