2. How many years have dogs accompanied humans for?

3. What famous museum is opening up an exhibit for dogs?

4. Is the chihuahua one of the most vicious dog breeds in the world?

5. Why are dogs’ noses wet?
Interview with the Student Council:

This Week’s Trivia:

Lexy Florez- Vice President

1. Why did you want to become part of the student council?

“As a person who has worked hard throughout the past years in school, I always saw myself as a leader and felt that I should try to win the Vice Presidency. I made an agreement to try to make our school a better place with the best of my ability. I was very grateful when I heard I had become the Vice President. Not only did I develop leadership skills but it helped me realize how much I can make changes to the community around us and Immaculate Conception.”

Lexy (on the left) played her hardest against St. Mary’s Winchester!
2. What do you want to bring to the school?

“*I would love to bring unity amongst my peers. This would help us not only come closer to others, but to God. My job is to create bonding relationships between people.*”

3. What is the best part of being vice president?

“*The best part of being Vice President is that I can add things into our school that can help benefit us. The president and I come together to speak on certain terms that could assist the student council. We all work together as a team to make IC a better place!*
Outside News

Lent began on Ash Wednesday February 26, and ends before Easter. We celebrate lent to prepare for the coming of Easter. We pray, fast, and sacrifice things for God. We spend forty days giving things up for God. Easter this year is on April 12, 2020.

The Coronavirus is an illness that has spread across the world, and there have been cases in many countries, including the United States. Although many people are worried about catching it, there have been no cases in Massachusetts and you won’t catch the illness. However, it is flu season and many people are getting sick. Make sure to wash your hands so you don’t get the flu!
